

**FUTURE VISIONING ACTIVITY OUTPUT  
KOKHANA-KATMANDHU/NEPAL**

**VISION STATEMENTS OF FOCUS GROUPS**

**Vision Statement of WDMC group**

Keeping intact the cultural glory through its transmission and promotion, and efforts in producing capable human resources along with customary production as well as the marketing of the local products, develop a safe, equitable, and prosperous Khokana with eco-friendly and risk-sensitive infrastructures.

**Vision Statement of Women, Marginalized, and Migrant group**

Illuminating Newa cultural identity; develop a prosperous, progressed, and equitable Khokana with quality education, health, and physical infrastructures.

**Vision statement of Sano Khokana**

Preserve and promote mother languages, culture, and tradition to establish Sano Khokana as a live museum as well as develop clean, discrimination-free, and independent Sano Khokana by producing capable human resources, and utilizing natural resources, along with the provision of quality education, health and the construction of the fast track, Bagmati corridor and other risk-free physical infrastructures.

**Vision Statement of the Ward Group**

Continuing the historical legacy of the preheated and purified mustard oil press business, develop Khokana as a conjunction of a *historic Khokana* with the construction/ promotion of the historical Newa-styled houses in the auspicious Swastik shape by developing it as a center to study and educate the decent culture and tradition to a new generation, and attracting domestic and global tourist; and a *modern Khokana* with modern agriculture, medicinal plantation and refinery, technical college, physical exercise center, equitable health service, clean environment, digitalized technology, easy access to clean drinking water, cable car and solar boring technology.

**Meta Vision of Khokana**

*“Prosperous and Equitable Khokana with Glorious Newa Cultural Identity”*
